

**UNITED STATES DISTRICT COURT  
DISTRICT OF CONNECTICUT**

ELIYAHU MIRLIS,

Plaintiff,

No. 3:16-cv-00678 (MPS)

v.

DANIEL GREER, ET AL.

Defendants.

February 23, 2018

**Further Status Report Regarding Supplement to Standing  
Protective Order and Motion for Execution**

At a hearing on December 8, 2017, this Court directed the parties to discuss and review their issues regarding a supplement to the Standing Protective Order and to provide a status report to the Court which has been extended to February 23, 2018.

Since the last report, the parties finalized the protective order related to post-judgment discovery and file the proposed order forthwith which was granted on February 12, 2018.

Additionally, the Plaintiff is reviewing substantial financial information produced by the Defendant and a proposal regarding post-judgment payments. Plaintiff is still considering the proposal and requires more time to make a determination regarding the offer. Additionally, Plaintiff has requested an inspection of the Yeshiva property, which Defendant Yeshiva is still attempting to facilitate. Accordingly, the parties still need to finalize their discussions on pending motion for execution. Counsel for the Plaintiff has requested additional documentation to evaluate the pending proposal of the Defendants.

The parties request that the Court provide the parties until March 16, 2018 to report back to the Court on further developments. This status report is filed with the consent of counsel for the Defendant, Jeffrey M. Sklarz, Esq.
