Yale Law School

Dear Mr. Dressler

I am delighted to inform you that the committee on admissions has admitted you into the class of 2022. Please accept my personal congratulations for your outstanding achievements.

Yale law school offers the most prestigious legal education in the world. Faced with a highly qualified and talented entering class, you will find our curriculum challenging and invigorating. You will spend the next three years studying the law and being primed to achieve the highest judicial honors our legal system has to offer. You will be in close quarters with America's top talent. You will be studying in the same halls where some of our former presidents learned the law. You will find the same warm

The guy.

Really? Did u explain
about Avi being sexually
assaulted Avi and Ezi
dodging the subpoena

They didn't want to hear
much about the case
they were wiped out, two
female jurors were crying
at one point. They did not

Subject

They didn't want to hear much about the case they were wiped out, two female jurors were crying at one point. They did not look at anything in the media which I found surprising

I overheard them say that none looked on the media during the trial

You don't want to hear

Subject

You don't want to hear this but they said that they were impressed by the Dow.

I think that they were also focused on the civil case

Mazel tov. When are we going to celebrate with a kosher beer?

Soon. Now I'm going to

Subject

Soon. Now I'm going to bed.

They make kosher beer????

I also heard that the ewe called me an anti Semite

That's right

All beer is kosher

I forgot they were talking about how Notis asked if

Lo! I was surprised that
he asked me. I'm not use
to witnesses asking
questions. Noticed the
star before or after notis
asked me?

I forgot they were talking
about how Notis asked if
you were Jewish and you
looked surprised but they
noticed your star lol

All beer is kosher

Lol. I was surprised that he asked me. I'm not use to witnesses asking questions. Noticed the star before or after notis asked me?

The juror said something like, well she was wearing a star she must be Jewish why was she surprised by the question.

Lol

Subject

prised by the question.

Lol

I'm surprised they saw it.
It's small

I think Mirlis was coming back to the compound for ten years not just to pick up hush money. Nobody would believe Mirlis

Subject

body would believe Mirlis anyway. I think he was getting paid to provide other services to the goat just as Avi did for ten years. I met Mirlis numerous times over those years I knew something wasn't right I just couldn't put my finger on it. I am surprised that the goat didn't ask for permission to leave his barn in order to go to "work" every
